Just a note to let you know why we bought our Motor Home from Lloyd Bridges.

My Father-in-Law Robert Hulliberger had owned several units up until his passing. The only Dealership he was ever satisfied with was Lloyd Bridges.

So when we went looking we checked other dealers and personnel as well as units. Lloyd Bridges had what we were looking for in both. The sales people and service department and office personnel were great they were very polite,helpful and knowledgeable about there business and there was no pressure.

After much research we purchased a 2007 Georgie Boy 33 foot Motor Home from Lloyd Bridges and are happy with the unit thus far. Their Helpfulness and willingness to make the transaction quick and pleasant was very satisfying.

Thank you

George and Leslie Eaton
